

Academic Year Year 11	Content and rationale. Unit title and brief outline of content.	Skills taught in each unit.	Assessment – how will the knowledge and skills be assessed?
Rationale	The aim of the Art department is to develop critical thinking and visual literacy through an engaging and supportive learning environment. Students will independently choose a theme for their y11 project and will consolidate their practical knowledge through explorations techniques, processes, artist's work and learning about wider issues within the world. Furthermore, they will be exploring a variety of different media and techniques such as drawing, painting, photography, print making, digital editing, sculpting and model making whilst applying their prior learning of the Formal Elements of Art from KS3 and KS4. Students will study history of art and contemporary art, learn about artists from different ethnic and cultural backgrounds. This will enable them to gain understanding about global awareness and viewpoints other than their own. Students will be working independently furthering their skills of creative thinking and self- expression.
