10th July 2026

Dear Parents/Carers

Headteacher's Weekly Roundup 2025-2026 – Summer B, Week 6

Highlights of the week

Despite the return of the 'heatwave', there have been many highlights this week, once again, and they will be more fully captured in our year newsletters and the 'Inform' next week. One event which won't feature in the Updates is the Teach Wimbledon Graduation ceremony hosted at the Ursuline on Wednesday 8th July. This organisation was established by the Ursuline High school and Ricards Lodge and partnered with Roehampton University to create a pathway in recruiting, training and retaining local talent to become teachers. 38 Graduates completed their PGCEs in both the primary and secondary sector and are now ready to embark on their new careers in September.

Any parents/carers or wider family members interesting in finding out more please follow the link: [Teach Wimbledon](https://www.teachwimbledon.org)

Highlights of the week

Congratulations to all the recipients of Subject, Form, Achievement, Perseverance and Serviam awards as students in all year groups had their annual prize giving extended assemblies. It was a great honour to witness all the individual achievements and to hand out the overall achievement and Serviam prizes. Please see a few of the images below.

Well done to all the students completing their LAMDA showcase presentations and Piano Recitals this week during evening performances. Thank you to the staff who facilitated this but also the parents/carers who made up the audiences on hot sticky evenings.

All students in Years 7 to 10 participated in the school debates. Anyone witnessing them could not help but notice the confidence and quality of the presentation but also how well the audiences participated and interacted in the process. Special recognition goes to Miss Surbey who provided the energy and drive in leading and delivering on this programme.

Focus areas for next week

Please ensure that you are fully aware of the communications on Arbor relating to next week's Fest week with different start and end times to the day. If you have any question or concerns, please contact your daughter's Head of Year.

Year 12 students embark next week on their work placements, and we remind all students that they are now ambassadors for the school and their actions, commitment and impact reflect on the entire school community.
