

Enrichment Activities

KS3 Autumn Term 2026

Foreword

Our school motto, **Serviam 'I Will Serve'**, permeates all aspects of school life and our students are encouraged to participate in activities which are designed to develop the whole person and allow them to extend themselves to others. Participation in the life of the school promotes a sense of belonging and pride in the school and is imperative to the success of every student. Our expectation is that all students will take part in an activity outside of the classroom. These experiences will enrich their lives, improve their skills and help them to enjoy school life to the full. This brochure outlines our **Enrichment Programme** for the *Autumn Term 2026*.

Please encourage your child to choose some life-enriching activities.
