

February 2020

Dear Parents/Carer

### School Donations

On behalf of myself, staff and students at the Ursuline High School, I would like to extend heart-felt gratitude for your generous donations to our school. As a voluntary aided school, we are required to part finance the cost of any improvement work within the school, relying greatly on your financial contributions.

Over the past year, your donations have made it possible to facilitate many improvements and developments in and around the school including:

- The new school minibus (*see picture below*);
- New student lockers;
- Extended learning opportunities and careers advice;
- Refurbishment of the kitchen and canteen, officially opened with a demonstration to students by 3 Michelin star chef, Garry Hollihead;
- Upgraded school wi-fi system.

With the continued tightening of school budgets, your donations are increasingly valued. Please consider donating if you are not currently doing so, completing the enclosed Direct Debit Instruction specifying the amount you are able to contribute each month; the suggested amount is £30. Alternatively, if you would prefer to make a one-off donation, please indicate this preference on the attached form. UK Tax Payers are also eligible to complete the Gift Aid Declaration. These forms should be returned to the Finance Office.

May I take this opportunity to thank you in advance for your continued support.

Yours sincerely

Julia Waters  
Headteacher
