Ursuline High School is a voluntary aided school in the Diocese of Southwark. It is in the trusteeship of the Diocese. The school is conducted by its governing body as part of the Catholic Church in accordance with its Trust Deed and Instrument of Government and seeks at all times to be a witness to Jesus Christ. The school exists primarily to serve the Catholic community and Catholic children always have priority of admission. However, the Governing Body welcomes all applications, particularly from those of other denominations and faiths who support the religious ethos of the school.

➢ Parents/carers must submit a reference on headed paper from the family’s minister of religion / Faith Leader stating their daughter is a member of the relevant faith.

5. All other applicants i.e. applicants who do not meet the criteria above.

Oversubscription within each Criterion

Within each criteria and sub-criteria priority will be given to girls in the following order:

1. Girls who have a sister at the Ursuline or a brother at Wimbledon College.

2. A girl whose parent is a member of staff, where the member of staff has been employed at the school for two years at the time at which the application for admission is made and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

➢ Parents/carers should submit a letter from HR confirming the applicant’s parent has been employed at the school for two years or more and/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.

3. Girls who have a strong social or compassionate need which makes the school particularly suitable.

• Governors will assess strong and relevant evidence. A letter must be provided by the present school and an appropriate authority (e.g. qualified medical practitioner, education welfare officer, social worker, priest). This must be submitted with the Supplementary Information Form; otherwise it will not be possible to take the particular need into account.

4. Girls who live nearest to the Ursuline. The distance will be measured by the London Borough of Merton on behalf of Ursuline High School using a GIS system from the girl’s homes to the main gates in Crescent Road.

5. Where the last remaining place is to be allocated and two or more children are deemed to live at the same distance from the school the place will be decided by the drawing of lots.

Applications for Year 7

Girls transferring from Year 6 at Primary School to Year 7 at Secondary School must do so through the London-Wide Co-ordinated Admissions Scheme. All applicants must submit the Common Application Form (CAF) to the girl’s Local Authority, as well as submitting the Supplementary Information Form (SIF) directly to the School. If an applicant names the school on the CAF but the school does not receive the SIF, the application will only be ranked against the final ‘Other applicants’ category.

The deadline for the Year 7 Supplementary Information Form is 31st October 2019
Pupils with an Education, Health and Care Plan (EHCP)
The admission of pupils with an EHC Plan is dealt with by a separate procedure. The procedure is integral to the making and maintaining of statements and EHC plans by the pupil’s home local authority. Details of this separate procedure are set out in the SEND code of practice. Pupils with a statement or EHC plan naming the school will be admitted without reference to the above criteria.

Appeals
Parents whose applications for places are unsuccessful may appeal to an Independent Appeal Panel set up in accordance with sections 88 and 94 of the School Standards and Framework Act 1998. Appeals must be made in writing and must set out the reasons on which the appeal is made. Appeals should be made to the Admissions Appeal Clerk at the school address. Parents/Carers have the right to make oral representations to the Appeal Panel. The decision of the panel is final.

Waiting Lists
Parents of children who have not been offered a place at the school may ask for their child’s name to be placed on a waiting list. The waiting list will be operated using the same admissions criteria listed above. Placing a child’s name on the waiting list does not guarantee that a place will become available. This does not prevent parents from exercising their right to appeal against the decision not to offer a place. The Waiting List will be maintained until the end of August 2020. Parents, who wish their daughter’s name to remain on the list from September 2020, must inform the Admissions Officer in writing or by e-mail. A new list will commence in September 2020. It is possible that when a child is directed under the local authority’s fair access protocol they will take precedence to some members of that faith.

Late Applications
Any late applications will be considered by the Governors’ Ethos and Admissions Committee, in the event of there being any available places using the above criteria. If all places have been filled, parents will be offered the opportunity of placing their child’s name on the waiting list. This does not prevent parents from exercising their right to appeal against the decision not to offer a place. The Local Authority have their own rules and procedures for late applications and may refuse some late applications.

Applications to Year 8 to 11 (In-Year Casual Admissions)
Girls wishing to apply for a place in Years 8 – 11 at the Ursuline High School, or who are already in Year 7 at a secondary school, can do so by contacting the London Borough of Merton School Admissions admissions@merton.gov.uk. This may be done at any time. If a place is available it will be given at the earliest opportunity. If the Year Group is full, a place will not be offered because the school’s accommodation and resources are limited. Applicants should also complete the School’s Supplementary Information Form to enable the governors to rank the application in the event of there being more than one application for a place; if no supplementary form is completed, applicants will only be ranked against the final ‘Other applicants’ category. Supplementary Information Forms must be sent directly to The Ursuline High School. The governors will use the same criteria to rank the application as that listed above. In the event of the governors deciding that a place cannot be offered parents will be offered the opportunity of placing their child’s name on the waiting list. The offer of a place will be made by the school on behalf of the governors. The school will inform the Local Authority of any offers made. This does not prevent parents from exercising their right to appeal against the decision not to offer a place following the set out procedure above.
Applications Outside Normal Age Group

Children are educated in school with others of their age group. However, parents may request that their child is exceptionally admitted outside their age group. The Governors will decide whether or not the individual child’s circumstances make this appropriate, taking into account of the child’s individual needs and abilities and considering which year group these needs can best be met. Such requests will only be agreed in exceptional circumstances.

Teachers are skilled at differentiating the curriculum to meet a diverse range of needs. Before deciding to apply to submit a request, parents should visit the school. The teachers will be able to explain the provision on offer to children in the year of entry, how it is tailored to meet the needs of all pupils and how the needs of these pupils will continue to be met as they move up through the school. They may also be able to allay any concerns the parent may have.

Decisions will be made on the basis of the circumstances of each case and in the best interests of the child concerned. This will include taking account of the parent’s views; information about the child’s academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely.

All requests should include recent professional evidence of the child’s circumstances which make education outside the age group necessary. Evidence must be of the individual child’s need, rather than general factors which relate to a wider group of children born at a similar time.

Parents requesting admission to an age group below the child’s actual age should submit an application for the child’s actual age group before the relevant closing date. The request for later admission should accompany the application. This enables the application to be processed and a school place secured in the child’s actual age group if the request is refused by the Governing Body. Parents will be informed of the outcome of their request prior to offer day.

Fair Access Protocol

The school participates in Merton local authority’s Fair Access Protocol to allocate places to vulnerable and other children in accordance with the School Admission Code 2014. Admitting pupils under the protocol may require the school to admit above the planned admission number for a relevant year group and ahead of any waiting list. A copy of the Fair Access Protocol can be obtained from the Admissions Officer.

Admissions to Year 12

There are 180 places in the Sixth Form, 50 places are for external applicants. If courses are oversubscribed (and many are), priority for places will be given in the following order:

1. Current UHS students who meet the entry requirements as listed in the school Prospectus.
2. External applicants who meet the entry requirements.
3. Current UHS students who do not meet the entry requirements but for whom a workable programme of studies can be arranged.
4. External applicants who do not meet the entry requirements but for whom a workable programme of studies can be arranged.

If you do not meet the entry requirements for some courses, you may still be offered a place:

a) If there are places available on a course once those who do not meet the entry requirements have been counted.

b) If we believe that you are able to meet the academic demands on the course (taking into account your GCSE performance and prior academic achievement).

We will not offer places to current UHS or external applicants who fail to meet the entry requirements and for whom we believe are unable to meet the academic demands of the course.

Entitlement to free education

The government has strict checks on entitlement to free education after the age of 16. You are only entitled to a free place in the Sixth Form if you are an EU Citizen or have a Visa which the Immigration Service has stamped allowing you to access state support in the UK.

If your visa is marked 'no recourse to public funds', we cannot offer you a place in the Sixth Form. Passport checks will be carried out on all Sixth Form applicants on the Year 12 Induction Day.

General Data Protection Regulation

Admissions data will be retained by the Ursuline High School for one year. It will then be securely destroyed. We share Admissions information with the local authority to facilitate the Admissions process.

In order to fulfil our obligation in regard to admission appeals, all information received for appeals will be shared with the members of the Independent appeal panel and the Clerk. These papers will be collected and destroyed by the school at the end of the appeals process.
