

Enrichment at Ursuline High School 2022-2023

Please note that there are always significantly more day trips throughout the year as opportunities become available. Parents will be notified at the time. So far this year, we have had the Wimbledon Bookfest, Chessington World of Adventures, a theatre trip to An Inspector Calls and also Macbeth.

There are also a plethora of events planned for on site, with many careers opportunities, school productions, sports competitions (also with local schools) and an exciting enrichment program that covers everything from chess club to science club to MFL singing club. Your daughter is given an updated list every half term and her tutor will support her in engaging with that program.
