Dear Parent/Carer,

I'd like to take this opportunity to thank you for your continued support at this time, especially in ensuring that your daughter engages with the online learning. We appreciate how difficult it can be and are grateful that you continue to ensure that she logs in to her lessons and completes her work. It is invaluable in ensuring that your daughter is part of our community and that she keeps up with her curriculum.

I have listed below a number of different websites with resources and ideas that may help you and your daughter with her learning. I have also attached some documents that you may find useful in knowing how to keep your daughter safe online.
