1st December 2020

Dear Parents/Carers

Re: Tier 2

As of 12pm this evening we move into Tier 2. Can I remind parents that little has changed for students and staff in school.

The Government has asked us to advise all parents:

- *to limit the number of different out-of-school settings young people access*
- *when students are self-isolating they must remain at home.*
- *for students who are working from home remotely they must follow the government guidelines of no households mixing.*

We can confirm that:

- guidance for face coverings is as it is at the moment
- young people aged 11 and over must wear a face covering when travelling on dedicated transport to secondary school.
- young people sit with their 'bubble' on school transport, or with the same constant group of peers each day
- young people should clean their hands before boarding transport and again on disembarking

Please be advised that after school Science club for Years 7, 8 and 9, Lamda and Flute lessons will all start up again. The school production will also continue after school.

Extra Curriculum provision for January will be emailed to parents/carers at the end of term.

Yours sincerely

Julia Waters
