I have attached the latest release of information from the examination's regulator OFQUAL. This is written to Students, Parents, carers and teachers. You will have received a separate communication on appeals. Please refer to that document should you need to.

In recognition of the cancelation of exams OFQUAL have arranged to run a full exam series in the autumn for any student who feels their grade would have been better had completed their exams for that subject. The dates for these are confirmed as **4<sup>th</sup> - 22<sup>nd</sup> October for A-Level's / 15<sup>th</sup> November – 2<sup>nd</sup> December for GCSE's**. This series will consist of the same number of exams as if they had taken place in Summer 2021, and the results will be based on exams alone. As a result of this coursework will not be used in the results of the Autumn exam series. The exception to this is Art and Art Textiles which will still have a new task set and results will be based on this piece of work.

At present we do not have any information on the cost implications of the Autumn exam series and this information will follow. If you would like to be entered for the Autumn exam series please email using the address below with your name and subjects you wish to be entered for. The entry deadline is **8<sup>th</sup> September for A'Level** and **4<sup>th</sup> October for GCSE**.

If you would like to arrange an entry for the Autumn exam series, **The Exams officer, Mr Creasey will be available;**

**Friday 13 August between 10.00 - 13.00 and from Monday 16<sup>th</sup> August for A'Level & GCSE resit requests.**
