16th May 2021

Dear Parents/Carers

We are pleased to inform you that as of Monday 17th May, students and staff will have the choice whether to wear a mask in the classroom or not, as it is no longer a DfE recommendation to do so. However, given the fact that there are still risks and new variants in circulation the wearing of masks will remain compulsory for all students and staff in indoor communal areas including corridors. Teaching staff will remind students to put on their mask and sanitise when they leave the classroom.

Please note that the reintroduction of face coverings for students in the classroom may be advised for a temporary period in response to a particular localised outbreak, including variants of concern.

Students should continue to test twice weekly using the LFD testing kits supplied by the school.

Students have been informed of the change, but could you please remind your daughter of this change to our procedures before returning to school on Monday. Thank you.

Yours sincerely

Julia Waters
