Uniform Policy

Ursuline High School

Ursuline High School (UHS) policies and procedures relate to its operation, staff, facilities, health and safety, risk management and services provided.

UHS strive to ensure equality of opportunity for all. This policy forms part of UHS commitment to create a positive culture of respect for all staff and students. The intention is to identify, remove or minimise discriminatory practice to ensure fairness and consistency for all those covered by it regardless of their individual differences and value the diversity of all individuals and communities.

As part of its development, this document and its impact on equality has been analysed and no detriment identified.

Ursuline Ethos / Mission Statement

To build a caring and supportive Christian community where each individual is able to grow in their understanding of the faith and their commitment to Christ.

To set standards of excellence in teaching and learning and to provide a broad, balanced, and relevant curriculum.

To develop personal qualities of understanding of self and others, self-discipline and motivation, responsible maturity, creative freedom, and integrity.

To foster an attitude of respect for all regardless of age, race, colour, creed, or gender.

To build peace, to promote justice, social concern and, through the celebration of difference, the equality of all peoples.

The uniform at Ursuline High School plays a very important role in maintaining high standards and we are extremely proud of its unique identity. It instils a sense of belonging to the community and avoids divisiveness, enabling students to be proud of their school and its values.

In line with new guidelines set out by the DFE and published in November 2021, Ursuline High School has, over the last year, tendered for a new supplier while incorporating slight changes to the specification of the uniform, ensuring value for money, reducing branded items and allowing for easy access to good quality second hand uniform.

New Supplier

A new contract was awarded to Schoolwear Inc, Worcester Park, commencing on the 1st January 2023. The contract was awarded based on the best value for money, geographical proximity, and online access.

Branded items have been kept to a minimum.

There have been minor changes to the uniform, and this will come into effect in September 2023 for Year 7 children only.

As this is a single supplier contract, regular tendering will be implemented to ensure competitive quality and prices. The contract will be re tendered every five years.

Second Hand Uniform

We recognise the importance of second-hand uniform and offer access to this via our Ursuline Parents Association. Second hand sales are published on the website and letters are sent to parents providing key dates.

Schoolwear Inc also provides the school with an incentive plan, whereby the school receives a percentage of profits (5%) to be utilised towards a uniform fund. The school will manage the fund to meet, where possible, those students in need of support. This will target those students purchasing uniform in Year 7. Parents entitled to free school meals should contact Tom Glavina:

Tom.Glavina@ursulinehigh.merton.sch.uk for support.

Sixth Form Dress Code

Aim: the purpose of a dress code is for students to develop a sense of what is appropriate to wear in a formal working situation without enforcing a uniform, to set an example to Years 7 to 11 in terms of appearance and for high standards of appearance to be visible within the community.

As in all walks of life, students will be expected to abide by a code of dress in the Sixth Form. Staff are asked to ensure that the code is being complied with. It is the responsibility of all students to ensure they are properly attired and view the school as a working environment. Therefore, clothes should be suitable and respectable to the occasion.

Requirements:

Female students:

Sixth Form students are required to wear:

- A **tailored dark suit jacket/blazer** – patterns are NOT permissible.
- Either **tailored trousers or a tailored skirt in dark colours**. Trousers should be full length and not cut off. Skirts must be mid-thigh length as a minimum. Tights must be worn with skirts.
- Blouse or shirt in the colour of the student's own choice. This top should be designed for professional wear. It must cover shoulders and midriff and must not be low cut.
- Plain fine knit jumpers or cardigans may be worn with a blouse/shirt, but all pupils must have a dark blazer.
- Shoes should be formal and suitable for wearing with a suit.
- A headscarf for religious reasons is permitted.

You must take notice of any rules given from time to time by the Head of Sixth Form and/or Heads of Year in relation to particular items of clothing or appearance. **Any student who does not dress accordingly will be sent home to change. Repeated offences will result in a temporary exclusion.**

Judgement on what is suitable rests with the Head of Sixth Form and Heads of Year 12 and 13. All staff are entitled to enforce the dress code at all times.

Anyone who, through force of circumstances, is unable to comply with these regulations should bring a letter of explanation signed by her parents/carers.
