

URSULINE HIGH SCHOOL SEND INFORMATION REPORT

June 2023

At Ursuline High School we aim to cater for the individual learning needs of all students in line with the SEND Code of Practice: 0-25 Years (2014).

Students identified with additional needs will be placed on the Learning Support register at one of two levels:

- **Education, Health and Care Plan (EHCP)**
- **Student with Additional Needs-SEND Support**

There are four broad areas of need in the SEND Code of Practice : 0-25 Years (2014) that inform placement:

1. Communication and Interaction
2. Cognition and Learning
3. Social, Emotional and Mental Health
4. Sensory and/or Physical

Identification is guided by the definition of Special Educational Needs in the SEND Code of Practice :0-25 Years (2014)

Special educational needs and disability (SEND)

- A child or young person has SEND if they have a learning difficulty or disability which calls for special educational provision to be made for her.
- A young person has a learning difficulty or disability if she:
 - a) has a significantly greater difficulty in learning than the majority of others of the same age, or
 - b) has a disability which prevents or hinders her from making use of facilities of a kind generally provided for others of the same age in mainstream schools or mainstream post-16 institutions
 - c) Students who have an Education, Health and Care Plan (EHCP) will receive extra support and guidance in some of their lessons from Teaching Assistants who will work in partnership with the Subject Teacher to help students to access the curriculum. Where appropriate, students may also be withdrawn from some lessons for one-to-one or small group support with, for example, reading and writing skills; numeracy skills; social skills and emotional literacy.
 - d) Students have a SEND profile (Provision Map) to inform all subject teachers of their learning needs so that they can differentiate their work accordingly.

June 2023

Additional support is coordinated and monitored by the Special Educational Needs and Disabilities Coordinator (SENDCo).

Students on the Special Educational needs and disabilities register may also need assessment and support from other professionals including those in the Educational Psychology Service (EPS) and Speech and Language Therapy. Once again, these referrals are managed by the Special Educational Needs and Disabilities Co-ordinator.

At the end of year 6, students on the SEND register in their primary schools may be asked to complete a set of screening assessments to enable the Ursuline High School to provide targeted support upon their arrival in year 7. This support may include reading intervention to raise their reading age enabling them to access National Curriculum tests, and support with numeracy to embed basic numeracy skills.

SEN Information Report **Ursuline High School**

It is the expectation that all students, who are ready for secondary school in a mainstream setting, will be accessing the curriculum in the classroom with differentiated teaching and additional support when appropriate.

1. How does the Ursuline High School know if students are in need of extra help?

- The views of the students and parents are very important to us. We will talk to the students and their parents/carers on several occasions before they arrive at the school in September {Parent information evening, SEND student and TA transition day, further screening day, Full induction day, Merton Schools Transitions meetings, school visits.}
- All students sit a reading and maths assessment in the April.
- All students attend an interview with their parents/carers in May.
- The SENDCo speaks with primary schools and attends year 6 annual reviews.
- Many students, both with SEND and non-SEND, are invited in for screening in June to see if they may need extra help when they arrive.
- Teachers and the SENDCo track attendance, punctuality, behaviour and

progress on a half termly basis.

- The SENDCo and teachers will speak to your children to find out how they are coping.
- All parents/carers of students with SEND are invited in for a 'getting to know you' coffee morning in September.
- Information is shared with parents.

2. What should I do if I think my child/young person may have SEND?

- 1) Please contact your child/young person's tutor or Head of Year
- 2) The Head of Year will speak to the SENDCo
- 3) If your child/young person has an Education, Health and Care Plan (EHCP) the Ursuline will offer support in line with the provision set out in the document as appropriate
- 4) If your child/young person has an Education, Health and Care Plan (EHCP) and the Ursuline do not feel able to meet the needs set out in the plan, the SENDCo will liaise with the borough and parent/carer to identify an appropriate setting

3. How will I know how the Ursuline High School supports my child/young person?

- You will receive a letter to inform you that your child/young person is on the SEND register
- You will be invited to contribute to your child/young person's provision map. Your child/young person will be asked to share their thoughts and be fully involved.
- You will be able to ask for changes to the profile to make sure both you and your child/young person feel it is correct and supportive.
- You will receive a copy of the profile, which is shared with all their teachers, so you know what is being said and done. These are reviewed and updated regularly.
- You will receive additional information if your child/young person requires or is entitled to specialist intervention.
- Having intervention and extra help in the school does not necessarily mean that your child/young person has special educational needs.
- You will have an opportunity to meet or speak to the SENDCo or another member of staff who can answer your questions and discuss your child/young person's progress once each term.

URSULINE HIGH SCHOOL SEND INFORMATION REPORT

June 2023

- For students with an EHCP, an annual review will be carried out to ensure appropriate support. The student, Parents/Carers, borough representatives, external professionals are all invited to contribute to the annual review.
- Where recommended on any EHCP, skilled professionals (e.g. Educational Psychologists, Speech and Language therapists, occupational therapists) will form part of the provision.
- There is a SEND link governor who has an overview of provision.

4. How will the curriculum be matched to my child/young person's needs?

- The school is a high achieving school and offers a broad and balanced curriculum.
- Teachers will have a SEND provision map for your child/young person and will differentiate the curriculum to meet their needs. There is a clear expectation that all teachers have the highest expectations for all students, including those with SEND. There are many ways that teachers will differentiate the curriculum such as:
 - a) Breaking down information into small steps and writing this on the class board
 - b) Breaking down tasks and putting this in an easy format on the student's whiteboard
 - c) Ensuring 'thinking time' to allow the student to have processing time to decide how to answer
 - d) Writing frames to help a student start their writing and have a clear structure
 - e) Graphic organisers and mind mapping to help organise and bring information together
 - f) Vocabulary - banks of vocabulary and opportunities to make sense of the words through word maps
 - g) Visual materials - to help make sense of the discussion
 - h) Concrete resources, especially in maths - to help the student touch and work with the idea being studied
 - i) Sand timers or visual timers - to help a student manage and understand time
 - j) A shorter task but with a clear outcome expected
 - k) Sometimes teaching assistants and other adults will work alongside the teacher to support your child/young person to access different aspects on the curriculum
 - l) All students have access to a laptop with assistive technology:
 - Read aloud resource

URSULINE HIGH SCHOOL SEND INFORMATION REPORT

June 2023

- Speak to text resource
- Spelling checker
- Electronic calculator

m) Some students may be eligible for additional software, within the physical and funding constraints of the school: reading pen for examinations; tuition in speed typing

n) Some students may be eligible for specific provision such as: printed resources of specified coloured paper, coloured overlays, wobble cushions, writing slants

The level of TA support and intervention is dependent on the level of need and will be managed by the SENDCo and team. Ursuline High School believes in Quality First Teaching so that all students, including those with SEND, have access to the teacher's expert knowledge. All teachers are responsible for the appropriate differentiation and delivery of their lessons. All staff receive on-going high quality CPD on SEND and support and guidance is given on how to adapt teaching to meet the needs of students.

5. How will the school know how well my child/young person is doing?

- The school and SENDCo checks on your child/young person's progress every half term to check she is making expected progress. All students, including SEND, are expected to make the same amount of progress. We have high expectations for your child/young person.

- An assessed piece of work is completed every two weeks in every subject.

- The staff and SENDCo will contact you if there are any concerns about how well your child/young person is doing.

- You can contact the SENDCo with any questions you might have at any time. The SENDCo has an 'open door' policy to discussing your child/young person's learning with you. (This is usually by email in the first instance)

- Clear targets set in intervention classes are checked each term to make sure the support is having a positive impact on your child/young person's learning. We do not believe in giving extra help and support if it does not work.

We **ASSESS, PLAN, DO** and **REVIEW** regularly. When something does not work, we try something else. We do not give up.

- We strongly believe in a partnership and share information with you. It is important for your child/young person to be helped at home as well as at school.

URSULINE HIGH SCHOOL SEND INFORMATION REPORT

June 2023

6. How will I know how well my child/young person is doing?

- You will be able to log into your child/young person's personal site on the school website and see their grades and expected grades.
- You will receive a report of progress every half term.
- You will be invited into the school to discuss any specific areas of concern (and where this is not possible a virtual meeting will be arranged).
- All students have a review meeting bi-annually with their tutor at academic review days and once a year with all teachers at parents' evening. Should this occur during a pandemic then virtual meetings are arranged.

7. How will you help me support my child/young person's learning?

- You will be able to contact and meet the SENDCo or Deputy SENDCo at Academic Review Days and by appointment at Parents' Evenings or at other times requested throughout the year.
- You are encouraged to help write your child/young person's provision map and to agree to the parental support.
- The SENDCo or other appropriate staff will share information and support parents during the termly discussion. Areas that parents/carers regularly need to support their child/young person with at home are:
 - a. reading at home
 - b. organisation
 - c. homework
 - d. helping with revision
 - e. helping with specific subjects
 - f. supporting with emotional needs
 - g. supporting the importance of high attendance
 - h. raising self-esteem.

The school offers advice and support with all these areas.

8. What support will there be for my child/young person's overall wellbeing? How will my child/young person's personal or medical needs be met?

- All students have a tutor, a head of year and a Pastoral Support Assistant that work closely with the SENDCo to ensure the well-being of your child/young person is met.
- Information is shared, with your agreement, with teachers to ensure your child/young person is able to work successfully in school.

URSULINE HIGH SCHOOL SEND INFORMATION REPORT

June 2023

- Your child/young person's medical needs are recorded with the Medical Administrator and shared with all teachers as required. In some cases a health care plan is put in place.
- All teachers have compulsory first aid training.
- We have specific staff with higher level first aid training.
- We have three ELSA (Emotional Literacy Support Assistant) practitioners who are under the supervision of the Educational Psychology Service, Merton.
- We have a teacher who supports students with Social, Emotional, Mental Health needs (SEMH) and manages the SEMH space, named Willow.
- Students with specific needs can be referred to the qualified counsellor on site via the Assistant Headteacher Inclusion with parental consent.
- Students with specific needs can be referred to the school nurse with parental consent.
- Students with attendance issues will be referred to the (EWO) Educational Welfare Officer.
- The school works with the community police officer to help with safety to and from school.
- Clear anti-bullying policy and safeguarding procedures in place and positive mental health promoted by the PSHEC programme.
- Students with specific needs can be referred to the EWP(Education Welfare Practitioner).

9. How will my child/young person be able to contribute their views on how things are going?

- Your child/young person may have a teaching assistant or teacher mentor who they can discuss how well things are going with on a regular basis.
- A team of pastoral staff are available to speak to students about any concerns they may have and to facilitate restorative justice meetings.
- A team of students from a cross section of the school give their views in a student voice focus group. This is facilitated in departments and year groups.

10. What specialist services and expertise are available at or accessed by the school?

URSULINE HIGH SCHOOL SEND INFORMATION REPORT

June 2023

In school we have the following expertise and staffing in SEND :

- Victoria Jefferies: SENDCo
- Jo Thompson: Deputy SENDCo with responsibility for exam access arrangements
- Jennifer Delhoum: Lead teacher for student presenting with neurodiverse profiles (ASC)
- Katarina Zatkovicova: Lead for Social Emotional Mental Health (SEMH) and the management of the SEMH space (Willow)
- Maureen Cecil: HTLA and lead for Attention Deficit Hyperactivity Disorder (ADHD) supporting SEMH
- Gina Lamb-Dixon: HLTA and lead for Speech, Language and Communication Needs (SLCN)
- Aga Lygonska: HTLA and lead for Cognition and Learning (C&L) including specific learning difficulties (SpLD)
- Suanne Dix: HTLA and lead for SEND provision in sixth form
- Ciara Laker: HLTA and lead for physical needs including visual and hearing impairments
- Camilla Johnson: Lead for reading intervention
- Emily Chan: Business Administrator for SEND
- Teaching Assistants (TA)

Within this team there are 3 members with the qualification to assess for access arrangements for examinations.

In addition, we have 3 members of staff trained in ELSA and 1 with Elklan training.

External Services who support the school regularly are:

- Speech and Language Merton team
- Educational Psychology Merton team
- Social Care - all boroughs
- Visual and Hearing Impairment team linked to Merton

If the above cannot meet the individual needs of your child/young person, we will seek alternative advice and agency support. We will monitor all provision to ensure it provides the planned impact.
