Dear Parents/Carers/Students and Staff

**Re: Use of Face Masks in School from Monday 19<sup>th</sup> October 2020**

Under the new guidance for Tier 2 areas, students and staff will need to wear face masks when they are moving around the school.

All members of the community, staff and students will need to provide themselves with a reusable face mask to wear to school if they are using public transport and another one for use whilst in school. A plastic bag is also needed to store the face mask when not being used.

For your information, please click [here](#) for the Government link for face masks.

Masks will not be worn in class or while eating. If students are outside talking face to face with other students, they may wish to wear a face mask.

Students will need to wear a face mask as they enter the school while they walk to their classroom.

Any exemptions for students will need to be communicated by parent/carers to the relevant Head of Year.

Any issues arising, please email me directly [enquiries@ursulinehigh.merton.sch.uk](mailto:enquiries@ursulinehigh.merton.sch.uk)

Thank you for your support.

Yours faithfully
