Year 11 Parents' Evening – Thursday 20th January 2022

This message is a reminder and an important update on the Year 11 Parents' Evening, which takes place this Thursday 20th January 2022 from 15:50 -18.30.

Please refer to our previous email which contains the link and log in code to the meeting. Booking appointments remains open until 20th January at 09:00am. Please visit [SchoolCloud - Ursuline High School](#) to book your appointments using the user ID provided previously.

The appointments are short 4-minute slots to ensure the maximum opportunity to meet as many teachers as possible in the schedule so please make sure that you log in early to ensure you are connected and ready to go.

You may find a notice on the appointment schedule indicating that a particular member of staff is not available to host that meeting as we already know that we have a number of staff unavailable. We ask for your patience and understanding in this matter as COVID has had a significant impact on staff availability on return this January. We did not have to contend with this previously as Lockdown meant that we had a largely uninterrupted staffing availability but this year with the different rules the staffing situation is much more challenging.

If you have a particular concern that has not been addressed during the Parents evening for a particular subject, please let us know through your daughter's Form Tutor or Head of Year and we will address it directly with you.

Once again thank you for your continued support and understanding.

Yours sincerely

Eoin Kelly
Associate Headteacher
