

The Gift of Community Giving

“Lives Not Knives would like to express our sincere gratitude to these amazing young women for their incredible work, They truly embodied the spirit of Lives Not Knives and brilliantly conveyed our ethos and mission statement.”

**Lives Not Knives
Ambassador**

We are so proud of **Year 8** for having put their heart and soul into their fundraising for their chosen charities in the **First Give Philanthropy project**. Students start working on this special project in Spring Term, and it is taught across PSHEC, Music and RE lessons with the aim to help our students understand about social justice and live out Catholic Social Teaching. Every year, Year 8 forms select a charity they feel strongly about and then sets about creating a plan as to how to best assist them, raising awareness, and money for their chosen charity. This then culminates in the Grand Final held on *Friday 26th April*, when each class makes a pitch to a panel in order to win an additional £1000 for their charity.

This year the charities selected were **Angela:** Jigsaw 4 U, **Bernadette:** Safer London, **Catherine:** Lives Not Knives, **Francis:** The Royal Marsden, **Margaret:** Hestia, **Teresa:** STEM4, and **Ursula:** Faith In Action.

Students worked extremely hard thinking up a variety of ways to support their charities; including many cake sales in the community, sponsored walks/runs, selling crochet animals and friendship bracelets and a sponsored silence.

Each form group then each created fantastically persuasive pitches as to why their charities would make the best use of the £1000 prize, which they eagerly presented to judges at the Grand final, displaying their hard work, and dedication to the cause over the past few months. It was a very close call, however after much deliberation from the judges **8 Catherine** were deemed winners of the £1000 prize, to help their charity '**Lives Not Knives**'. Their powerful presentation really drove home the message of how knife crime is devastating out communities depicted in a creative animation, and what this amazing youth led charity does to prevent knife crime. In light of the current situation facing our young people we are sure that this will be well utilized.

As a year group, Year 8 have smashed previous year's fundraising, raising a grand total of **£8,200**, with **8 Francis** raising a total of **£2267** (another record!) Amazing. Thank you to all the parents who have helped support the Year 8s in their fundraising. We are very proud of Year 8's passion and perseverance!

Dear Parents, Carers and Friends,

We reach the mid point of the final school term with public examinations firmly underway. The students in Year 13 and 11 have been role models to all the other years in their preparation and measured approach to the examinations. We continue to support all students in managing this season and continue to keep them in our prayers and wish them well in their preparations for the next papers. All other students in the school are also, either preparing for, or undertaking internal examinations across the Summer Term, already Year 7 finishing their exams at the end of Summer A. We look forward to celebrating the progress and achievements in Summer B and setting targets for next steps improvement in learning. As an Ursuline school alive with the spirit of St Angela we recall her words, "you need not be anxious if you do your best". 5th Counsel, and "I shall be in your midst praying with you". 9th Counsel

There's lots to celebrate and be proud of in the pages of this Inform and each of the Year groups news letters, please take time to read through these to share in the joy and achievements of our incredible community built on the efforts of our students. Whether it be in acts of Worship/Liturgy, Serviam, Sport, Music, Drama, Curriculum, Writing, Leadership or Sporting success, please take time to review this with your daughter (son) to ensure that they are aware, and are availing, of the opportunities and enrichment on offer at the Ursuline high School.

Next term is once again packed with a calendar of events and enrichment opportunities. Note these events and dates in the Year Newsletters and please reach out to the school if you feel they could be more involved and we will assist in monitoring this involvement.

Thank you to you and your families for all your continued support, understanding, prayers and encouragement.
