Dear Mr Kelly,

DATE: 18th September 2023

Re: Congratulating GCSE and Sixth form students on their exam results

I am writing to congratulate all the students and staff at Ursuline High School on the wonderful success of their GCSE and Sixth form results this year.

They have shown remarkable emotional and personal resilience with their exams which were significantly disrupted by the pandemic. The support from their teachers, support staff and families has been amazing and enabled students to achieve during such a difficult time.

Please pass on my congratulations to all GCSE and Sixth form students on their exam results. They should all be very proud of their achievements. It is wonderful how Merton schools are providing a great education for their students.

If ever you would like me to visit your school, I would be delighted to come.

My very best wishes to everyone.

Yours sincerely,

A handwritten signature in black ink that reads "Sally Kenny". The signature is written in a cursive style with a large initial 'S' and 'K'.

**Councillor Sally Kenny
Cabinet Member for Education and Lifelong Learning**
