Internet and ICT: As the parent or legal guardian of the pupil(s) named below, I grant permission for the school to give my daughter access to:

- the Internet at school
 - the school's chosen email system
 - the school's online managed learning environment
 - ICT facilities and equipment at the school.
-
- ✓ I accept that ultimately the school cannot be held responsible for the nature and content of materials accessed through the Internet and mobile technologies, but I understand that the school takes every reasonable precaution to keep pupils safe and to prevent pupils from accessing inappropriate materials.
 - ✓ I understand that regardless of phone make/model, and in accordance with academic research and our Behaviour policy, that my daughter's mobile phone must be switched off, placed in their locker at the start of the day and remain there until the end of the day. Any phones seen or heard in school will be confiscated.
 - ✓ I understand that if a phone is confiscated that a letter will be sent home to inform parents and request that they collect the phone from Student Services, and that a confiscated phone will not be returned on the same day.
 - ✓ I will not take and/or share online, photographs, screenshots or videos of other children or staff at school events or otherwise without permission.
 - ✓ I understand that the school has a clear policy on "The use of social networking and media sites" and I support this. I understand that the school takes any inappropriate behaviour seriously and will respond to observed or reported inappropriate or unsafe behaviour. There will be consequences for anyone found to be using their phones or engaging in social media 'for bad'.
 - ✓ I understand that regardless of whether they are of the legal age, if students do use social media, this will be taken into consideration when dealing with issues raised.
 - ✓ I understand that the school can, if necessary, check my child's computer files and the Internet sites they visit at school and outside of school and if there are concerns about my child's online safety or online behaviour, they will contact me.
 - ✓ I will support the school by promoting safe use of phones, the Internet and other digital technology at home. I understand the importance of keeping our children safe, and ensuring they grow up to be media literate, and have boundaries. I will do my best to hold regular discussions within the household around online safety, and the expected behaviour and etiquette. I will inform the school if I have any concerns.
-
- ✓ I understand that students should be free from ICT screens/mobile phones for an hour before bedtime and that phones should be used/kept outside bedrooms especially overnight.
 - ✓ I understand it is my responsibility as parent/carer to check that my daughter's phone and social media usage is age-appropriate*.

- ✓ I will not post libellous or defamatory comments on social media sites that could cause harm or distress to the school, staff, other parents, or students in the school or outside of school.
