13<sup>th</sup> September 2024

Dear Parents and Carers

### **Headteacher's Weekly Roundup Autumn A Week 2**

Today draws to a close our first full week of school after the summer break and students are already into the full rhythm of their timetables. It was a pleasure to welcome you in large numbers to the Year 7, Year 8, Year 9 and Year 13 Information Evenings over the past ten days. We are confident that these events help get the year off to the best start in terms of communication and clarity.

The staff and senior leaders of the school joined me this week in visiting lots of lessons and it has been unanimously reported that student engagement and behaviour for learning has been excellent. Getting off to a good start is important and we have firm foundations to build on this in the weeks ahead.

Thank you to students, parents and carers who have had to accommodate some minor disruption due to overrunning summer building works, but we look forward to this all being completed early next week. Good to see the return of the Sun ahead of the weekend!

### **Highlights of the Week**

We have started to use our newly installed cricket nets which are a brilliant addition to our facilities. The ball canons have arrived as well so there is great excitement about getting this up and running.
