18th October 2024

Dear Parents and Carers

Headteacher's Weekly Roundup Autumn A Week 7

It has been another packed week of activities and successes in what is an unusually long half-term. This week we welcomed Governors to the school with a focus on the curriculum, which involved meeting and discussing progress with our students.

We were delighted to receive the following message from the Ursuline School in New Rochelle, New York, "Our thanks again for organizing and hosting the AI: Brave New World virtual conference last Thursday. The Ursuline School was honored to be invited and our Global Scholars program students found it to be most valuable. We incorporated our delegates' summary statement into the following e-article that went out to our entire school community this past weekend along with some photos. Also included is a reflective quote from Katie, one of our Seniors". [Examining the implications of artificial intelligence \(AI\)](#)

Did you know we have an active presence on Instagram?

Do give us a follow to access our visual window into the enriching experiences, accomplishments, and opportunities the main school and Sixth Form students are engaging in. You'll find us [@uhswimbledon](#) and [@uhssixthform](#). Give us a Follow.

Highlights of the week

We are incredibly proud of Ema, one of our amazing Year 12 students! As part of the senior GB development squad for gymnastics, she travelled to Leverkusen, Germany, last week and competed for England. Ema and the GB team clinched **gold!** This was the 47th International Leverkusen Cup at the Ostermann Arena, a spectacular event featuring the best Olympic gymnastics athletes. Gymnasts from nine teams across seven nations battled it out in front of 1,200 excited spectators. Well done, Ema! You are an inspiration to us all.

Focus areas for next week

Standards of work need to be sustained right up to the end of a very long half-term. Full attendance and punctuality with no drop in standards of application and behaviour will ensure it has been a very successful half-term of work.

News and announcements

Academic Review Days (ARD) The first ARDs for this academic year will take place next Thursday 24th October (P5&6) and Friday 25th October (all day) and each family will have their meeting during this time. Appointments for Year 7 are in person at school, all other year group meetings will take place online. During both ARDs, students' "normal lessons" are suspended to accommodate appointments for every child and students will be dismissed at lunchtime on Thursday. However, if you would like your daughter to be supervised at school during normal school hours on either or both days, then you may request this. [SchoolCloud](#) opened for Bookings on Monday 14th October. If you haven't already booked your slot please do so. Further details can be found in the communication sent from Mr Glavina on Thursday 10th October. **Year 7, 10 & 12 Student photographs** purchased through Happy Days Photography at the beginning of term have arrived and will be distributed via tutor groups for students to bring home by the end of next week.

Parent Resources

We have long-established companies who let our facilities, one of these partners is Playfit. Please see the details below about the evening offer available at the school through this company. PlayFit Sports Club offer after-school volleyball, basketball and badminton classes for children aged 9-18. Experienced coaches will guide students through essential skills, teamwork, and game strategies, helping them to build confidence and stay active. No prior experience is necessary, all skill levels are welcome. For more details and to register, please visit the juniors sports page (<https://playfit.co.uk/w/juniors/>). For adults volleyball, basketball and badminton coaching and games sessions please see details and book on the adults sports page (<https://playfit.co.uk/w/play/>).

Catholic Life of the School

Last weekend, we welcomed two members of staff from The Ursuline Academy in St Louis, Missouri (USA), a new connection forged as part of the Ursuline Education Network. We look forward to developing more links across the Atlantic as we journey in developing and celebrating our unique ethos and shared values imbued to our Global network by St Angela Merici. Visit our school [website](#) to read more about what we currently do to embed our Catholic Ethos into school life.
