

## A Shrektacular Production!

On *Thursday 28th & Friday 29th November*, we held our annual school production. This year, we presented the shrektacular **Shrek: The Musical**.

Our cast blew us all away with an impressive performance of musical comedy *Shrek*, based on the 2001 animation film of the same name. The hilarious fairytale follows grumpy ogre Shrek, who reluctantly leaves his peaceful swamp to go on a daring quest to rescue the feisty Princess Fiona - for Lord Farquaad, ruler of Duloc, in order to rid his once quiet swamp- now overrun with magical creatures. With an irritatingly talkative sidekick - donkey he encounters a whole host of problems and fairytale creatures along the way. The talent shone through on the stage with renditions of 'Big, Bright Beautiful World', 'I know it's today', and firm favourite - 'I'm a believer'.

Many thanks to our Arts faculty including Ms Surbey, Ms Melliush, Mr Ching, and Mr Melliush for such a fantastic production, Mr Hardman, for all of his fantastic handmade costumes and of course, to our fabulous array of talented actors.

Additionally, thank you to all our backstage crew who helped out behind the scenes, on the night(s), and finally, to our audience!

See you next year.

Main Cast: **Shrek**: Nicola G & Bella P, **Princess Fiona**: Lottie A-L & Lara P, **Donkey**: Eva T & Olivia C, **Lord Farquaad**: Isabella R & Chloe P-B, **Dragon**: Genevieve L-T, **Pinocchio**: Berta K & Sofia R, & **Gingy**: Jay G.

## The Season of Giving

There have been a range of Christmas festivities and events throughout Advent; including our **Christmas Gift Appeal, Christmas Fairs, Christmas Tree Service**, and Christmas lunch! On 6th December and our **Christmas Carol Service** at **Sacred Heart Church** on 16th December.

We thank everyone in our community for the incredible charitable donations raised this advent! Including **Christmas Fairs, Year 7: £1157.05 for Great Ormond Street & The Down's Syndrome Association, Year 8: £1245 for Wimbledon Guild, Year 9: £497.91** for various charities. Our **Joint Carol Service** raised £618.43 (for our Christmas Charity: **The Passage**), and £315.44 was raised from our **Christmas Jumper Day for Save The Children**, which took place on 12th December.

## Christmas Tea Party

On 10th December we hosted our annual **Christmas Tea Party** for our local elderly community with **Mrs Harrison, Mr Cunliffe**, and our Year 8 and Sixth Form Helpers. The afternoon was full of Christmas games, alongside afternoon tea and a selection of memorable songs performed by our very own choir. Successfully spreading the Christmas cheer!

## Holy Souls

This November, we recall with the Church all the Holy Souls who have died and mark their remembrance.

We marked this in a social way with our own **Memorial Mass Of The Dead** with Fr Matthew of Sacred Heart Church, at which we asked the saints who have gone before us to pray for us here on earth and for the faithful departed and names in our Ursuline Memorial Book.

Congratulations to our **Wimbledon Young Writers** competition winners, some of which are pictured here. The students' poems are now featured in a **Young Writers** anthology.

Well done everyone!

## Science Behind Food

**Year 10 Food Preparation and Nutrition** have been learning about the science behind 'shortening'. This is when you cover flour with a layer of fat so liquid cannot get to the gluten, keeping the gluten strands 'short'. Examples are shortbread and shortcrust pastry, both of which we made, here are some great photos of our shortcrust pastry pasties.

## BIMA Day

Our **Year 10 Computer Science students** and **Year 12 Digital T-Level students** competed in the **BIMA Digital Day 2024** on **13th November**. Students were very lucky to spend the day working with 4 tech professionals from EPAM (a global company supporting tech innovations around the world) and Microsoft. The students thoroughly enjoyed the event and the chance to speak to people with well-established careers in the tech field.

They produced excellent ideas for their challenges of using technology to use Microsoft AI more positively for secondary school students, promoting Burberry clothing to younger people or helping the RSPCA get more people to understand the need for higher welfare farming.

## Serviam - I Will Serve

On **Wednesday 6th November**, we celebrated the transition of our **Year 7** students from primary to secondary school with our **Commissioning Service**. Some of our **Year 7s** braved our audience of parents/carers to speak on how **St Angela** and **St Ursula** influence our education, their transition experiences, and some of our school virtues; **Insieme**, kindness, respect, and **Serviam**. While **UHS Sixth Form student Sarena**, delivered some poignant thoughts on 'What makes an Ursuline student?' We also had some lovely student performances.
