## **Headteacher's Weekly Roundup 2025-2026 – Spring A, Week 1**

Dear Parents/Carers

Welcome back to 2026 Ursuline High School. I had an unwelcome surprise on Monday morning discovering I couldn't open the door of my office caused by a flood under the floor! Despite the cold snap and disruption to the water supply the staff and students have been buoyant and energetic at the start of term. Students have returned with excellent uniform, are organised and the lessons observed have shown excellent engagement. Thank you to everyone involved in mitigating and managing the disruption and freezing pipes this week, especially to the students for adjusting at short notice to the need for emergency toilet provision.

Well done to the Year 12s and 13s who re-sat GCSEs in English and Maths last November. We received really outstanding results this week on 8<sup>th</sup> January. A wonderful achievement! Well done to all those who have improved their grade and got over the line with the core subjects.

### **Highlights of the week**

The highlight of this week for me has to be the resilience and positive attitude of staff and students to accommodate the disruption caused by the significant cold spell. 'Keep smiling and carry on!'

On Tuesday, we welcomed Fr Ben from St Cecilia's to celebrate the Epiphany Mass for staff and students

The Year 12 launch of Oxbridge & Societies took place this week.

This week, our Year 12 Film Studies students attended a study day at BFI Southbank focused on Asif Kapadia's documentary *Amy* (2015). The visit supported preparation for their A Level exam and upcoming Spring term study of the film. Students explored the blurred lines between documentary and fiction, watched the film on the big screen, and enjoyed a rare opportunity to question a filmmaker about the filmmaking process.

### **Focus areas for next week**

We have noticed a considerable drop in the number of students needing to leave lessons this week to visit the toilet. I'm sure it isn't coincidental that having to use the festival style external closets has perhaps helped students manage this better. Leaving lessons to visit the toilet of course needs to remain an option but more as an exception, and self-regulation is important in minimising disruption to learning. Attendance in Year 9 and 10 was unacceptable in the final two days of

the term. Unavoidable illness could not account for the unusual drop in attendance, and this will be followed up with by Assistant Headteachers and Heads of Year. Attendance at the start and end of terms are monitored and followed up with in every case.

A number of students in the lower school are not using their lockers correctly. Many have been identified without a padlock. Please talk to your daughter about this to ensure that she is securing any valuables safely in her locker.

Spring Mid-year Assessments take place across all subjects in Years 7-10 this half term. Reports will be sent home at the end of this half term. We wish all students well for this important milestone in their academic journey this year.

## Important Notices

### Enrichment

Our Spring Term club schedule has launched, do please read through the options available with your daughter (lunch time and after school options). We want to see each student signed up to at least one club. Clubs are an excellent way of building new skills, making friends and getting involved in school life outside the classroom.

### Uniform

We have recently noticed an increasing number of students wearing false nails to school. This is a breach of our uniform policy, which clearly states that false nails and nail extensions are not permitted.

False nails can pose health and safety risks, particularly during practical lessons and physical activities, and they do not align with the standards we expect for our students' appearance.

Please ensure that your child removes any false nails before attending school on Monday to avoid consequences for breaching the uniform policy. In addition, students wearing jewellery not permitted by the uniform policy such as nose studs, bracelets, multiple pairs of earrings etc, will have these items confiscated. If you have any questions regarding the uniform policy, please refer to the school website or contact your daughter's Head of Year directly. We appreciate your support in maintaining our high standards and ensuring the safety and well-being of all students.

### Spring A key dates

Refer to our [Calendar](#) for academic year events but here are some significant upcoming dates for this half-term:
