Headteacher's Weekly Roundup 2025-2026 – Spring A, Week 3

Dear Parents/Carers,

Year 12s have been undergoing key assessments this week as well as Year 7 and 8 Students who have been focusing on their Cumulative Assessments across all their subjects. This marks the half-way point in the year when students are tested on all the content studied thus far. We look forward to sharing in the successes and discussing next steps when the results are published for Academic Review Day appointments at the end of this half-term.

On Wednesday we hosted the Year 11 Parents' Evening, reviewing the December mocks. Attendance to Parents' Evening (96%) was excellent and the conversations were clearly focused on proactive next steps in the preparation for the GCSEs which are just 101 days away to the first Public GCSE exam. Thank you to all the parents/carers for your engagement and support and also for recognising the considerable efforts of our staff in offering extra support and guidance.

Highlights of the week

On Thursday I met with Emilia and Eleanor who came to share with me the news that they have been successful in securing offers at Oxford University to study Medicine at St John's College and Chemistry at Brasenose College respectively. Amazing achievement, well done!

Mrs Harrison directed 60 year 10 Students taking part in the Jack Petchey Speak Out challenge in school on Tuesday. Visiting speakers from the 'Speakers Trust' came in to assist in the techniques of captivating and delivering to large audiences. The quality and competence of the students' delivery was absolutely incredible. Well done to all those students involved and good luck in the competition stages going forward.

Anastasia in Year 8 came to share with me the progress she is making and the pride she is taking in the quality of her exercise books. Her commitment and hard work were very clear to see and celebrate.

Focus areas for next week

We continue our focus on improving the pride in books at Key Stage 3, in Years 7, 8 and 9. We ask parents/carers to support by asking your daughters to show you the standards of presentation at home. These relate to basic standards.
