Headteacher's Weekly Roundup 2025-2026 – Spring A, Week 5

Dear Parents/Carers

This busy week culminated with the Year 9 Options Taster Day today. Students in all classes in Year 9 had the opportunity to select and attend KS4 subjects to find out more about the content and structure of the courses ahead of making their choices. Students grasped the opportunity to ask all sorts of questions to the teachers delivering and the experience today will help make informed decisions about GCSE.

This week, I had a chance to take a look into some of the extensive enrichment opportunities outside of the timetabled curriculum. I have been impressed by the testimony of the Sixth Form students involved in outreach work at Perseid School Morden, Merton Interfaith group, local primary schools, local supermarkets, and Homeless enrichment. The 13 Year 9 and Year 10 students studying at the Chinese club at King's School are making outstanding progress. The students involved are really contributing to the work of these organisations as well as personally benefitting from these opportunities to 'Serve.'

Highlights of the week

On Monday, the Ursuline High School was selected to represent the diocesan schools at the Ordination of Bishop Gerald Bradley Episcopal at St Georges Cathedral. Maya, Angel and Celeste along with Mr Cunliffe and myself had the privilege of being part of this historic event in the life of our diocese. The students were captured by the ceremony and were shocked to discover how much time had passed when we needed to rush back for the end of school!

Miss Morand accompanied Martha and June both in Year 12 to compete in the Sixth form French debate at Whitgift School in Croydon. We didn't win the debate, but they did us all proud with their superb confident delivery.

Year 7/8 students walked away from the Merton Borough Football Tournament runners up at Harris Academy Wimbledon, thus continuing the pipeline of excellent football talent through the school. Well done!

Focus areas for next week

Attendance and punctuality remain a priority up to and including the final day of the half term Friday 13th February. Students need to consider the key targets for improvement and further progress in the second half of the academic year. We look forward to productive conversations during the ARD afternoon appointments with your daughter's tutor.

From 1st January to 30th June across all year groups

This challenge is about encouraging you to read, not the amount you read.

Reading doesn't just mean books, for this challenge we will also be accepting Audio books and articles. All we ask is that you write a quick review (a couple of sentences) and be prepared to answer a few questions from the librarian team.

Everyone's reading journey will be different so the Top Readers will be selected based on a number of different factors not just the number of books read.

Pop along to the library and collect a tracking sheet .

On Tuesday, Year 11 received a Post 16-18 Options Talk with speakers from South Thames College Group, AIM Apprenticeships, and Royal Holloway University.
