

URSULINE HIGH SCHOOL
PROSPECTUS 2022-23

FROM THE HEADTEACHER

“Our students really are extraordinary young women, confident, aspirational and able to seize new opportunities. We provide an environment whereby students can grow and develop to become the very best version of herself.”

Dear Parents and Carers,

Student well-being and learning are at the heart of everything we do. We are very proud of our strong sense of identity, community and commitment to equity. We are a progressive school attuned and alert to the needs of our students in an ever-changing environment. An Ursuline student is committed to her faith and our core value of Serviam. We are forming students to be women of action who can make a difference in the school, who are kind, forgiving, generous of spirit and persevering.

Your daughter will be part of a national and worldwide network of Ursuline schools who share common goals delivering a global education focused on; academic excellence, service in the spirit of St Angela Merici, outstanding pastoral care and a focus on developing young women as leaders. Our provision is world class. Excellent teaching is in place, with a curriculum that provides depth, challenge and outstanding opportunities for students to develop their passion for learning. We have an engaging faith development programme led by our Chaplain. We offer a wide-ranging enrichment programme in Arts, Sports, Languages and Culture. We provide a comprehensive careers and student leadership programme from Year 7-13.

This year, we celebrated our 130th Anniversary, which is a milestone we are incredibly proud of. The occasion was marked with a series of events, with a highlight being a thanksgiving Mass at Sacred Heart Church celebrated with Bishop Paul Hendricks.

Our parents and alumnae are fundamental to the success of all our students. Our strong partnership and shared values with parents ensures the highest standards of achievement and personal development. We look forward to welcoming you to our school.

Yours Sincerely,

Julia Waters

Julia Waters BSc (Hons) MA

130th Anniversary Mass at Sacred Heart Church

OUR ETHOS

Serviam

MISSION

Inspired by the life and work of Saint Angela Merici, our Ursuline school commits itself to education for tomorrow's world within the dynamic tradition of Catholic belief and practice.

As a Christian community, characterised by a spirit of respect, trust and joy, we promote excellence in every aspect of life, thereby fully developing each individual.

“Act, move, believe, strive, hope, cry out to him with all your heart for without doubt you will see marvellous things.”

St Angela, Prologue, Counsel 16-18

AIMS

- Set standards of excellence in teaching and learning and to provide a broad, balanced and relevant curriculum.
- Develop personal qualities of understanding of self and others, self-discipline and motivation, responsibility, maturity, creative freedom and integrity.
- Foster an attitude of respect for all regardless of age, race, colour, creed, gender or sexuality.
- Build peace, to promote justice, social concern and, through the celebration of difference, the equality of all people.
- Widen horizons, to encourage a sense of commitment and service to the wider world, and to enable each one to go on learning and changing all through life.

EDUCATION FOR ALL

Equity

"The student voice is the most important thing, it's what drives us to make decisions.. it's really at the heart of all we do.."

Gender Equalities Lead

GENDER EQUALITY

We believe everyone has a crucial role to play in bringing about equality. At Ursuline we are focused on challenging gender stereotypes, sexist language and sexual harassment.

We support students to directly drive change within school and their wider faith community.

HOMOPHOBIA

As a Catholic school we believe all children are children of God and we celebrate our differences. Students are encouraged and supported along their individual paths to be the very best versions of themselves.

We have an active LGBTQ group who meet regularly to discuss any issues and concerns within a safe space.

RACIAL JUSTICE

We have a robust Anti-Racist policy which is embedded in all areas of school life. Our curriculum and staff professional development reflects the cultural and racial identities of our students so they feel valued. As a school, we also actively promote cultural celebratory events that reflect students' cultures such as; Black History Month, India Week and Hispanic Heritage Week.

Our students are confident to call out any instances of racism knowing it will be resolved in a sensitive and just manner. Our Task Force of students, parents, governors and staff is instrumental in supporting our work.

FAITH

All of One Heart

Our Chaplain supports students in their faith journey. Each student is encouraged to use their talent, whether it is in music, drama, dance or ICT, to help others reflect and pray. Celebratory Masses and Advent Services are held as well as special services for Christmas, Ash Wednesday and Holy Week.

There are also opportunities for students to attend national events and conferences, and to participate in faith forming activities together with students from other Ursuline schools. Each year group takes part in a retreat day, in which different themes are developed in relation to personal development and faith. Speakers are invited to share their experiences.

Students across the school are actively involved in supporting charities, both by raising money and by being active in the local community. Year 7 run a community Christmas tea party. Year 8 students participate in a Youth Philanthropy Project, in which the winning group secures £1,500 for a local charity. Whilst Year 12 have the opportunity to join Youth SVP who provide support to our local homeless shelter.

Students have raised money for local charities including; Catholic Children's Society, The Poppy Appeal, Breast Cancer Now, Born Too Soon, Billable Hour, Merton Dementia Action Alliance, the Natasha Allergy Research Foundation and also collected food for Wimbledon Food Bank. Examples of our support internationally includes; Disasters Emergency Committee, CAFOD and the Ursuline Sisters in Ukraine. Students are encouraged to appreciate diversity, and to build on the Gospel values of love, care, justice, peace, solidarity and respect.

Year 7 Commissioning Service

CELEBRATING SUCCESS

Achieve

Ursuline High School is in the top 10% of schools nationally awarded for student progress and attainment. In 2021, 93% of students achieved five 9-4's including English and Maths (at Grade 4) in their Examination Results.

Jack Petchey Award Winner

At the Ursuline, we celebrate every student's individual achievements. We also acknowledge and reward excellence in all areas of school life: academic standards, sport, music, drama and service in the spirit of Serviam.

Every year, a student in each year group is awarded the Student of the Year Award for academic excellence and there are prizes in every subject. Our most prestigious award is the Serviam Award, which is presented to the student who has best used her gifts and talents for the benefit of others.

Our personal development, behaviour and attitudes, and our Sixth Form provision has been graded Outstanding by OFSTED, we are so very proud of this achievement.

Ursuline High School loves to reward success, we have celebration events for every year group where students are commended individually for their achievements!.

Year 11 Celebration Evening

CURRICULUM

Wisdom

Inspired by the life and work of Saint Angela Merici, our Ursuline school commits itself to education for tomorrow's world within the dynamic tradition of Catholic belief and practice.

“Our provision is designed with our Mission Statement and Leaver’s profile at the heart of it, providing an inclusive and diverse curriculum offer.”

As a Christian community, characterised by a spirit of respect, trust and joy, we promote excellence in every aspect of life, thereby fully developing each individual. The curriculum at Ursuline High School is more than just the subjects we teach.

Our curriculum is everything we do that develops our students into strong women leaders of the 21st Century. This is our mission. From our Chaplaincy work to our deep and enriching extra curricular programme, we take great care and pride in the personal development of our students, to prepare them for the next stage in their lives.

Our goal is an anti-racist curriculum that challenges all students to better understand the society they live in, how it came to be, and how better to use their gifts and talents to positively contribute to the common good.

We want all of our students to see themselves reflected in the curriculum, so that they feel valued and that their contributions matter.

OUR CURRICULUM;

- Has student voice at the heart of everything we do.
- Is forward thinking and innovative, especially in how we use digital technology to ensure our students are future ready for the changing world of work.
- Supports and promotes our distinctive Catholic school ethos.
- Motivates & engages learners, helping them to succeed.
- Ensures that our students gain the knowledge and skills of literacy, numeracy, oracy and ICT they need for education, employment and life.
- Ensures that our students gain the personal skills such as teamwork, communication, and resilience they need for excelling outside of the school community.
- Enriches the students' learning through a wide array of memorable learning experiences.
- Encourages students to become lifelong learners.
- Enables students to make informed choices about the next stage in their education and life.
- Supports students in developing the characteristics and skills required to transition to the next stage of their education.
- Contributes positively to the students' physical, mental and personal well-being and safety.
- Enriches students with a breadth of cultural experiences.

Alexandra Sheppard Book Talk

TEACHING AND LEARNING

Inspire

We achieve outstanding results at Ursuline High School through challenging, engaging and consistently memorable learning experiences.

Geography Field Trip

Our goal is to inspire our students to use their knowledge and skills to empower themselves to succeed academically and in the wider context of the world we live in through our broad and balanced curriculum. Our world class teaching and learning provision ensures that our students take pride in their achievements, engage with the learning and succeed in their ambitions.

Our highly skilled and diverse teaching staff are equipped with the latest pedagogical studies to support their exemplary subject knowledge. We have a clear, research informed policy on the best teaching methods to engage and enthuse our students with a love of learning. We are passionate about our craft and share this with our students.

In all lessons, we aim to develop our students' skills, with particular focus on challenge and deepening the learning through targeted feedback, consolidation and retrieval practice. Student voice is really important to us and we use this to improve our teaching and learning and to build our curriculum.

In a world that is rapidly changing, our outward looking approach and continuous innovation in teaching enables us to deliver a modern, global education, which prepares our students to take their place as successful young women.

“As well as enabling our students to achieve outstanding results, we support our students in becoming lifelong learners and successful women leaders in the twenty first century.” Teacher

Every student is set a minimum target. This grade is based on prior attainment at the start of each Key Stage. Termly reports to parents monitor achievement, progress and effort. Parents can access their daughter’s progress report on the school Progresso system using their own password.

Students are grouped according to prior attainment in English and Mathematics. In Science, this occurs in Year 8 onwards. With the Foundation subjects, students are taught in mixed ability groups. Teachers identify groups of individuals who need additional or different activities to challenge and aid learning.

DIGITAL LEARNING

The Digital Age

“Amazing teachers who have provided top class online teaching. Friends have even commented that Ursuline is doing a better job than independent schools!”

Parent

We creatively use MS Teams for our Virtual Learning Environment in order to provide more resources, revision materials and further support for our students.

During the pandemic, we were able to deliver a full curriculum online, ensuring that our students remained part of our community, whether during lockdown or isolating. Parents were delighted that there was no loss of learning for our students during this time.

Our vision at Ursuline High School is to enable our students to be future ready, proficient in the general and specialist skills for learning, life, and work, with exceptional fluency in the language of a globally connected society.

Through the development of key ICT skills, we ensure that students are capable of utilising their ICT skills at any stage of their education and beyond. We take cyber resilience (safety) very seriously, and ensure that our students are able to use ICT with and for a purpose. We use ICT innovatively, to ensure that we are able to enrich and enhance our students' learning.

Every student is encouraged to participate in the Laptop Scheme, enabling all students to have a laptop to support their learning in and out of the classroom. Each subject uses ICT to further develop students' learning and ensures that they make outstanding progress through a wider range of learning opportunities.

INDIVIDUAL LEARNING NEEDS

Support

“Providing a personalised approach to each student is key in ensuring they receive the type of support that is right for them, this gives them the confidence needed to truly shine..”

SENDCO

LOOKED AFTER CHILDREN

The school has a designated teacher for children who are in the care of their Local Authority. They work in partnership with the child's social worker to produce a Personal Education Plan (PEP) to ensure that educational and social needs are met.

SPECIAL EDUCATIONAL NEEDS

At the Ursuline we aim to cater for the individual learning needs of all students, this is in line with the SEND Code of Practice: 0-25 Years. The students identified with additional needs are placed on the Learning Support Register at one of two levels: Educational Health Care Plan or Student with Additional Needs.

There are four broad areas of need in which reasonable adjustments are made to support the young person;

1. Communication and interaction
2. Cognition and learning
3. Social, mental and emotional health
4. Sensory and/or physical

Students who have an EHCP receive extra support and guidance in some of their lessons from Teaching Assistants, who work in partnership with the subject teacher to help students to access the curriculum. Where appropriate, students may also be withdrawn from some lessons for one to one or small group support on, for example, reading and writing skills, organisational skills and raising self-esteem. All students on the register have a SEND profile to inform subject teachers of the specific learning challenges, so that they can differentiate their work accordingly. Extra support is given to students as deemed necessary and the progress of these students is co-ordinated and monitored by the Special Educational Needs Co-ordinator (SENDCO).

Students on the Special Educational Needs register may also need assessment and support from other professionals. These include; the Educational Psychologist, the Learning and Behaviour team and the Social Inclusion Manager. Once again, these referrals are managed by the Special Educational Needs Co-ordinator.

PRIMARY SCHOOL LEAVERS

At the end of Year 6, students on the SEND Register in their primary schools may be asked to complete a diagnostic test, this is to enable us to provide targeted support upon their arrival in Year 7.

This support may include reading intervention to raise their reading age, enabling them to access National Curriculum tests, and support with numeracy to embed basic numeracy skills.

WELL-BEING

Caring

“PSHEC aims to prepare students to be informed, engaged citizens, who can make physically, mentally, healthy and safe choices to thrive.”

Safeguarding Lead

At the Ursuline High school we fulfil our school values through our outstanding pastoral care. We understand that young women need to have the best view of themselves and the world around them to succeed.

We really do care for each and every one of our students and ensure that their individual needs are known and met. When you start at the Ursuline, you will have a team that you can access to support you with any worries or anxieties you may have, either inside, or outside of school. Our pastoral care starts with your tutor that you see daily and discuss tasks around mindfulness, well-being and respect. Further support is provided by your pastoral support assistant, who works alongside your Head of year to give guidance, and can help find out the right support for you, from organisation skills to friendship concerns. Beyond that, our focus on health and well-being is at the forefront of our curriculum, and PSHEC with your tutor is an excellent way to express and develop your knowledge on physical and mental well-being, as well as how to have successful relationships.

To support the well-being of our students, we offer referrals to the following; a school counsellor, our well-being coordinator, a school nurse, our school police officer, our school social worker and a team of well-being practitioners. External support includes organisations such as Kooth and Off The Record.

MENTAL HEALTH TRAILBLAZERS

Our focus on well-being is further supported by being part of the South West London Mental Health Trailblazer. This partnership provides mental health support teams that work with students and their parents, with the aim of ensuring they are well equipped to have healthy and honest conversations about emotional well-being, as well as connecting them to local services. This has enabled us to develop the services we have on offer at the Ursuline, such as; a clinical psychologist, an emotional well-being nurse and education well-being practitioners- who focus on sleep, hygiene, low mood and anxiety issues.

PSHEC

PSHEC aims to prepare students to make informed and safe decisions in an ever-changing and unpredictable world. The whole school participates in a dynamic and responsive spiral curriculum, which focuses on relationships, health and well-being and living in the wider world.

We believe in developing the whole person, with students encouraged to use their gifts and talents to serve others working for social justice and human dignity. We aim to empower our students to understand potential risks around them and to safeguard themselves, and each other.

*"Its great to know you have
a supportive set of people
around you to help,
if you need it."*

Student

STUDENT VOICE

Listening

"I really enjoy putting forward my opinions and speaking out on things I am passionate about, it's important our thoughts are taken seriously."

Student

Students need to be empowered to propose and develop enterprising ideas to support the learning of all. As advocates for their own and others' needs, students can increase their confidence, motivation and develop their leadership skills.

Our elected School Council plays an extremely active part in school life. It is the responsibility of the Council to initiate ideas to support students' well-being and learning, respond to proposals from the Senior Leadership Team and raise issues and concerns. In addition, we have a Student Consultative Group in each year group who feedback to the Senior Leadership Team on school development. Two members are elected as representative for the Merton Youth Parliament.

We have implemented student voice groups to consult students on their ideas and plans for moving our school forward. Changes brought about have included; the introduction of trousers within our uniform policy, implementing a more ethnically diverse food range in the canteen, and addressing concerns around micro-aggressions, through staff CPD training and student assemblies.

STUDENT LEADERSHIP

Aspire

Head Girl Team

"Leadership is part of our everyday routine, it creates confidence in every student so we can excel in all areas of life beyond the classroom."

Year 8 Student

STUDENT LEADERSHIP PROGRAMME

We trust and listen to our students, as well as implementing their ideas. Students can impact on our school by applying to become Student Leaders and/or Members of the School Council.

The School Council has representatives from every Tutor Group who meet regularly throughout each school year. Each representative presents their ideas to their peers at the start of the academic year and elections are then held. In recent years, School Council have made improvements to many areas of the school.

We have an increased focus on equality for all and challenging all aspects of discrimination. The school council has also campaigned successfully to help improve the environment within our school, the local community, and globally.

We are also passionate about our Student Leadership Programme, which involves students from years 7-10. Students work in teams on a number of projects across the school- linked to the priorities in the school improvement plan. The groups are facilitated by staff members, but run by the students. Year 10 Student Leaders are assigned to each group and undertake a Leadership Training Programme at the start of the year. They then take responsibility for coordinating the groups, leading meetings and liaising with the staff facilitator. Student implemented projects range across; Chaplaincy, Teaching and Learning, Digital Learning, Community, Public Speaking, the school Library, Sports, Arts and Equalities. In the Sixth Form, the Head Girl team act as ambassadors, speaking at a range of events. They also lead prefects and support students across the school in their own personally devised project.

OUR FACILITIES

Opportunity

URSULINE HIGH SCHOOL PLAYING FIELDS *at Morley Park*

Our lovely playing fields and pavilion at Morley Park are just a short walk from the school grounds and are available to students (for use during P.E. lessons and other sporting activities). The facilities include football pitches, changing rooms and an indoor space for wet weather conditions. We are pleased to have expanded our sport offering to include activities such as cricket and rounders. They are a wonderful addition to the school facilities.

"A huge thank you to parents for their donations during the financial year, these have allowed us to update our Kitchen / Dining Hall, our school Wifi system and also to purchase a brand new minibus."

Governor

We have a campus that facilitates the optimum learning environment, from specialist rooms for Food Technology lessons to our library and tranquil quad area, which contains outdoor seating for chatting with friends during break time. We have a school supported laptop programme to assist students with learning at school and home. Our library is well stocked – with over 12,000 books for the students, and our refurbished St Angela's Centre houses our drama, art and music rooms, with an impressive gallery. We also have two dining halls and two dedicated areas for sixth form.

This year we have added a second floor to our new T Level building which will house our Laboratory Science T Level. With your continued support, we can keep improving facilities throughout the school.

Food Technology

ENRICHMENT

Widen Horizons

Joining in the enrichment activities is part of the ethos of the Ursuline. The more your daughter participates and gives of herself, the happier and more successful she will be at school. Whatever your daughter's interests, she will find the opportunity to develop her talents and confidence through our Ursuline Enrichment programme.

Additionally, being involved in these activities will contribute to the schools house system and earn points towards the house cup. Our expectation is that all students will take part in a range of activities outside of the classroom.

These varied experiences will enrich students lives, develop their skills and help them to enjoy school life to the full. We publish our annual programme on our website and update this termly. Some of the enrichment activities at KS3 and KS4 include:

- **Choir and Orchestra**
- **Science Club**
- **School productions such as Sister Act**
- **Programming and Logistics Club**
- **Spartans Basketball Club**
- **A range of residential trips (such as Rome and the Ireland Surf Trip)**
- **Wimbledon Ball Girls**
- **History Club**
- **Writers' Circle (Creative Writing)**
- **Duke of Edinburgh**
- **Debating**

Sister Act

COMMUNITY

Invite and Welcome

We are continuously forging and embedding links in the local, national and international communities

- Avila Partnership with *St Philomena's* school
- Collaborative working with Merton Catholic Schools
- Working in partnership with *Ricards Lodge High School* in collaboration with Teach Wimbledon
- We have links with a number of schools including the Polish Saturday School and *Mulberry School*
- Our Parish; *Sacred Heart*
- Church of England and Catholic Education Service
- Ursuline Education Network, USA
- Wandle Teaching Hub
- Ursuline Links UK

We are continuously forging and embedding links in the local, national and international communities, through our wide ranging partnerships and alliances.

Our motto, *Serviam - I will serve*, is at the heart of our school ethos and we are strongly committed to promoting a culturally inclusive school environment, through our ethos, curriculum, school visits, relationships with parents, and links with partners in the local and global community. Our commitment to equality is at the heart of our ethos. Our strategy and action plan impacts all aspects of school life to ensure we continue to address inequalities.

Performances and events such as the annual school production, *St Cecilia Concert*, Art Exhibitions and *Multicultural Evening* provide opportunities for parents and students to celebrate both the arts and our diverse community. We have been a Lead School for the Government's Mental Health Trailblazer for the past four years. We support both students and the NHS in delivering expert support.

AVILA PARTNERSHIP

Our Avila Partnership with *St Philomena's Catholic High School for Girls* is a commitment to sustaining outstanding Catholic Girls' education through shared practice, and leadership and development. Recently providing a Catholic Formation Programme for Catholic primary and secondary schools in the Southwark Diocese, with the hope that shared good practice will improve the academic and spiritual life of our students.

TEACH WIMBLEDON

Teach Wimbledon delivers primary and secondary, salaried and non-salaried training in London Borough of Merton. Lead by *Ursuline High School* and *Ricards Lodge* in partnership with *University of Roehampton St Mary's* and *UCL*, working with 10 primary and 6 secondary schools in Merton. Teach Wimbledon has trained over 95 teachers in the last few years! If you are interested in a career in teaching please visit; www.teachwimbledon.com.

EXTENDED LEARNING

Beyond the Classroom

Extended learning enables all our students to understand the relevance of what they learn in their lessons to their future and gives them the knowledge, skills and motivation to succeed.

Sixth Form Conference: "Breaking Up The UK: The State of the Union and What Lies Ahead"

PROVIDING OPPORTUNITIES

Our aim is that students leave the Ursuline as young women who have the confidence, skills, attitude and knowledge for success. Learning from female role model, including our amazing alumnae and professionals from all walks of life, develops students' skills for employment and raises their aspirations. Our recent conferences have included: "Breaking Up The UK: The State of the Union and What Lies Ahead", "Phenomenal Women: A Focus on Intersectional Feminism" and "Our Voice, Our World: The Year 12 student-led conference" run by the leaders of the sixth-form societies.

Extended Learning is achieved by providing opportunities and enrichment across the curriculum and year groups through a range of strategies, from conferences in school, corporate visits, speakers and our SERVIAM and careers programmes.

Students also benefit from the Ursuline's extensive partnerships with organisations such as the Women of Achievement Ambassadors Programme, Capital and Counties Covent Garden, Wimbledon Bookfest and TEAM (Global).

Across this programme students engage with professionals from diverse organisations including lawyers, doctors, nurses, physiotherapists, scientists, business leaders, engineers and journalists. They have benefited from projects with Lloyds Bank, Accenture and BHP.

HOUSE SYSTEM

Competition

St Angela *Red*

St Bernadette *Purple*

St Catherine *Green*

St Francis *Orange*

St Margaret *Pink*

St Teresa *Yellow*

St Ursula *Blue*

There are 7 houses, each with a house colour which appears on the logo of the PE Kit shirt and on the House Captain's badge. Each form in Key Stage 3 nominates two House Captains, these students have roles and responsibilities for promoting and organising inter-form events with staff. House Captains receive the help and guidance of Sixth Form House Prefects, alongside the School's House System Director.

Two Inter-House events will run every half term, one selected Inter-House Sport at lunchtimes and one other event within a different area of the curriculum. Students can earn points for their house in a variety of events. Events such as; sports, art competitions and Serviam activities. Inter-House debating competitions are held at the end of the year. The House with the highest total of points at the end of the year will be crowned House Champions at the Inter-House finale, which is on Sports Day. The House information boards have information on events and an up to date score for House points.

PARENTAL ENGAGEMENT

Collaboration

At the Ursuline High School there are a number of ways in which we engage parents in supporting their daughters to develop into successful young women. Parents are given many opportunities over the year to meet with their daughters' teachers and tutors to discuss their progress. We also provide opportunities for parents to learn more about the world their daughters live in, through information evenings, and specialist sessions on issues such as online safety and mental health. Our active Parents' Association supports the school in raising additional funds, supporting events and building community.

OUR UPA

It's harder to meet other parents at secondary school, but by coming along to UPA events you'll get to know other people and feel more involved in a friendly and welcoming atmosphere.

We help raise much needed funds for the school by supporting and helping at events such as: Quiz Nights, Race Nights, School Performances, the Carol Service, Doughnut Day, and Nearly New Uniform Sales, among others. These events have helped support the school by providing funds to purchase the minibus, sound system, curtains, desks, outdoor seating areas and more.

We need to collect items which can be used to generate money by way of raffle tickets. If you, or your company, are able to donate any form of gift, voucher or ticket of entry in to places of interest/events, or you are interested in joining our team, please contact us:

UPA@ursulinehigh.merton.sch.uk

INTERNATIONAL

The Wider World

RESIDENTIAL TRIPS AND EXCHANGE VISITS

Students have the opportunity to participate in trips abroad as they progress through the school. In previous years these have included exciting destinations such as;

Rome, Ypres, Belgium, Ireland, Dallas, New York and China!

Opportunities to take a work placement abroad at KS5 if students choose to continue with French, German or Spanish at A Level.

At the Ursuline, our international links are key in enabling students to take on new challenges, learn from others and develop a broader understanding of the wider world around them.

We are extremely proud of our International School status. Over the past few years we have further strengthened our links with the global community and our students have taken part in cultural exchanges around the world. We hope to reconnect our links with schools in the USA, France and Poland (partaking in our yearly exchange programme).

Students also enhance their language learning by building friendships with pen pals from Germany, France and Spain.

A variety of international visits support students in specific curriculum areas, making a crucial link between the classroom and the outside world.

“Our international links are interwoven in our school ethos and are vastly beneficial in enabling students to learn from others and develop an understanding of the wider world.”

Teacher

SIXTH FORM

Maturity

Students actively contribute to the school community and are invited to participate in leadership training in school council, chaplaincy programmes and community service. Our programme of enrichment includes; Science Gold Crest Award, Guardian Young Reporters Scheme, Covent Garden Business Challenge, Duke of Edinburgh, Sport, Art, and Music projects with other schools, as well as many opportunities for volunteering. There are (ordinarily) opportunities for travel through cultural enrichment trips and language exchange programmes, including New Orleans, New York, Beijing and Dallas.

WORK OPPORTUNITIES

Our students take part in a range of interesting work shadowing and summer school placements, these support their studies and aid their selection of appropriate career and higher education choices such as:

Cabinet Office; Barclays; St George's Hospital; BAE Systems; University of London; Telegraph Media Group, as well as law firms, pharmacies, hospitals and schools.

"Ursuline Sixth Form is an exciting, rewarding and vibrant environment that enriches the lives of all our students and leads them to become aspirational young women with a solid understanding of what matters in life."

Assistant Headteacher

Ursuline Sixth Form prepares students for University, Apprenticeships and for long term career progression. We foster and support independent learning skills, and provide one to one specialist support in order to gain places on students' chosen pathways.

The Sixth Form offers tailored support for those students applying to university (including specific support for Russell Group) and a dedicated Oxbridge Programme, with events, speakers, trips, weekly classes and mock interviews. We usually have about 15 students who apply to Oxbridge each year, choosing a wide range of subjects, from Natural Sciences at Cambridge, to History and Politics at Oxford. We also have a Medics Programme to support our aspiring Medics through the demanding application process, and are successful in many students being made offers in this highly competitive field.

T LEVELS

The Next Level

T Levels are an exciting qualification designed to give you a head start towards the future you want. T Levels are a post 16 qualification and are equivalent to 3 A Levels.

COURSES AVAILABLE

- Digital Production, Design & Development
- Laboratory Sciences
- Supporting the Adult Nursing Team
- Business Support

HOW WILL YOU STUDY?

You'll spend;

80% of time in the classroom

20% on a work placement in industry

This will equip you with the knowledge and skills companies are looking for.

The 2 year programme combined classroom learning together with a work placement, on a course designed in collaboration with the best employers and businesses.

"Lab Science is a fantastic opportunity to gain an academic qualification while learning on the job skills that will set you apart and equip you with the tools you need to enter into higher education and really excel in a laboratory field!"

Head of Laboratory Science

We are also excited to be offering T Levels in nursing and business in September 2022!

To find out more information or to register please contact;

Assistant Headteacher T Levels

Ben Barton: Ben.Barton@ursulinehigh.merton.sch.uk

You can also visit the 'T Levels' section of our website; www.ursulinehigh.merton.sch.uk.

T-LEVELS
THE NEXT LEVEL QUALIFICATION

CAREERS

*Education, Information,
Advice and Guidance*

STEAM ACADEMY

Our Steam Academy was created with the aim of exposing women to understanding what the world of STEAM looks like. Helping students to make decisions on future courses and career avenues. During the programme for Year 10 and 11 students take part in a range of workshops, meet and talk to STEAM role models, take part in hands on experiences, trips and looking at unusual jobs avenues.

EMPLOYERS

It is imperative that all students have encounters with employers, employees and experience the workplace. We are committed to preparing every student with the employability skills needed for a global economy. We build on students' teamwork, communication, investigative and adaptability skills, in order to help prepare them for the world of work.

"Through our tailored support and guidance, we want our students to realise their potential, follow their passions and have fulfilling and rewarding careers."

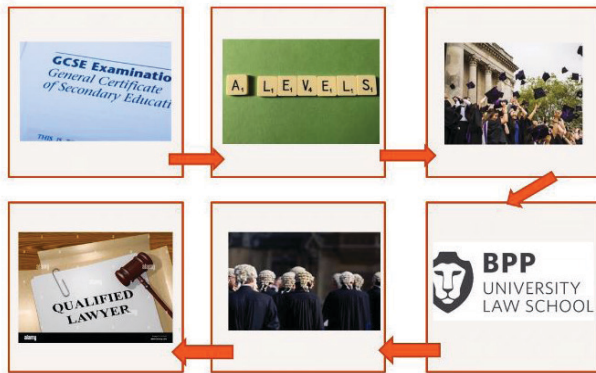

Careers Lead

At Ursuline High School, Wimbledon, we strive to understand each individual's potential through one-to-one careers sessions and linking the curriculum to the labour market. We ensure all aspects of a student's school life are taken into consideration when supporting them onto higher education, training or employment. Students are encouraged to see the bigger picture and keep their options open through the sixth form, in order to give them choices when selecting the appropriate career path.

We provide person-centred, impartial and confidential careers information. It is integrated into students' experience of the whole curriculum, and is based on a partnership with students and their parents or carers. We promote equality of opportunity, celebrate diversity and challenge stereotypes. (Our policy is guided by the Gatsby benchmarks identifying the elements of good practice in career guidance).

How to become a lawyer

EVENTS

The Ursuline arranges a variety of events and activities from Year 7 through to Year 13. At these events, students can meet representatives from businesses, education, voluntary organisations, and former students, for inspiration and guidance in a wide range of career areas.

Regular events involve external participants including; lunchtime careers talks, STEM ambassadors, networking events, conferences, workshops and careers panels, with both employers and Alumnae. All our events aim to motivate our students, by opening their eyes to the opportunities available to them after school, and by enabling them to understand the connection between what they learn at school and success in their futures.

OUR CAREERS PROGRAMME

The Careers Lead and advisors are available in the well-resourced careers library to advise and support every student. Students are able to ask for information and advice, or can make an individual appointment. There is an extensive Careers programme in place from Year 7-13, where students explore the world of work and develop their understanding of employability skills, hear from speakers and interview employers. In Year 10, preparation is made to create a formative pathway for Sixth Form, college or apprenticeships. In Year 11, every student has a careers interview and completes work experience, to enable them to apply the skills they have learnt in school into a real work environment. In the Sixth Form, students are supported in applications to university, Degree Apprenticeships, College applications and work placements. Group workshops include personal statement clinics and decoding the UCAS application process

We strongly encourage students to consider STEM pathways, through extra-curricular clubs and student conferences. We also have opportunities from universities, including Oxford and Cambridge, and work with medical schools. All students have information and advice on the many Post 18 opportunities, from university, school leaver programmes, apprenticeship and degree apprenticeships, and are supported in achieving their desired pathway. We host key external speakers in all fields, and are continually developing and expanding our business relationships, we warmly encourage parents to get involved and support.
