Summary of Examination Results 2018

Year 11 GCSEs

Table of GCSE results presenting performance data. Please note 2016 and 2015 results are included for reference only and cannot be directly compared due to significant differences in the GCSEs themselves and how the measures are calculated. Attainment 8 for example has lower points in 2017 and 2018 but does not represent a change in the average grade of B due to different methods of calculation.
