URSULINE HIGH SCHOOL

THEME 2022-23

**“You will be my
witnesses”
Acts 1:8**

**Gracious God,
Let us remain in harmony,
United together;
All of one heart and one will.
Let us be bound to one another
By the bond of love,
Respecting each other,
Helping each other,
And bearing with each other
In Jesus Christ.
For if we try to be like this,
Without doubt,
You, Lord God,
Will be in our midst.
Amen**

How we communicate with you

- The Ursuline High School is committed to effectively communicating with our parents and carers.
- We have a clearly defined marketing communications strategy in place which is reviewed regularly to ensure it meets the needs of our parents.
- **We primarily communicate with the primary parent/carer only, please ensure you let us know if your details change.**
- Our strategy includes a wide range of mediums including Weduc (our communications app/web portal), email, information meetings, academic review meetings, progress reports, newsletters, our website and other school collateral where appropriate.
- In addition to Weduc, we use ParentPay, Progresso, Microsoft Teams and Evolve for school trips, to support various elements of your child's learning journey. Further information including logins, is in the process of being issued.
- We have an active presence on Instagram and Twitter - do please give us a follow at @uhswimbleton and join our growing social community.

Weduc

- We ask all primary carers to enrol on WEDUC in order to receive messages from the school. In addition, parents can use Weduc to report an absence, view historical absence records, read our newsfeed and access our website and other portals including Parent Pay, Progresso, and Evolve. Over time more and more features will be made live.
- All primary carers will receive an email with joining instructions and a personalised code. We will use the email that we have on file. If you already have an Ursuline Weduc account for an older child, then you will see any new starters linked to your account. If you have a Weduc account with another school, please ensure you follow the enrolment process and when prompted, click on the Yes, I already have an account” option. Once set up you can move between the schools you have a Weduc account for.
- To ensure you do not miss messages from us, many of which are urgent and important, **we recommend Weduc app users enable notifications**. Weduc web portal users cannot enable notifications and we therefore ask that you log in daily. To help ensure you don’t miss any messages, web portal users will also receive duplicate messages to their email mailbox.
- Should you decide not to use Weduc you will receive messages to your email mailbox (e.g., Hotmail, Gmail etc).
- Visit the [Communications page of our website](#) for more information about our Parent Communications Strategy including our Weduc FAQs. Any technical queries regarding Weduc or any of our other portals, should be directed to ITHelpdesk@ursulinehigh.merton.uk

What Are The Key Features In Teaching And Learning At UHS?

- Progress leading to excellent examination achievement
- A challenging curriculum.
- All students needs are met through differentiation.
- High expectations
- Checking understanding
- Intervention when needed
- Excellent teacher knowledge
- Student engagement
- High quality marking and feedback

Assessment For Learning

- Know target grades in all subjects
- Understand what is required to improve
- Ask questions
- Respond and act on teachers' feedback
- Assess own work and work of others

Assessment for Learning

We gather evidence of understanding on a daily basis while the students are in the process of learning. To do this we must know our students: where they are, what they understand, and how they learn. This information guides our decisions about what we will do next in order to fill in gaps, clarify misconceptions and provide the kind of feedback that will help students move forward.

Part of everyday teaching practices.

Used to inform and adapt teaching practices.

Assessment for Learning is...

A quick way to gather information about student learning.

Done in conjunction with students to engage them in their own learning.

What is ARE?

- Age-related expectation is the average standard of work expected at a given age or development in education. (This Changes over Time)
- At the end of KS2 Y6, ARE would have been 100 (scaled score)
- Each Year some students are below, on, above or significantly above this average when joining UHS.
- We have devised a system called the UHS Standards to target, track and support students progress through from KS2.

UHS Standards

Upon their entry in the school, students will be given a Standard Target at which they will be expected to meet or exceed in their work. There are four possible targets: Bronze, Silver, Gold and Platinum.

The Bronze Standard Target will be allocated to students arriving in Year 7 below ARE. Students attaining Bronze standard by the end of Y8 will be targeted a Grade 3 at GCSE. (Currently those students from KS2 below 96)

The Silver Standard Target will be allocated to students arriving in Year 7 at ARE. Students attaining Silver standard by the end of Y8 will be targeted a Grade 4 to 6 at GCSE. (Currently those students from KS2 with 97-105)

The Gold Standard Target will be allocated to students arriving in Year 7 above ARE. Students attaining Gold standard by the end of Y8 will be targeted a Grade 7 or 8 at GCSE. (Currently those students from KS2 with Levels 106-114)

The Platinum Standard Target will be allocated to students arriving in Year 7 significantly above ARE 115+ (the old 5a). Students attaining Platinum standard by the end of Y8 will be targeted a achieve Grade 8-9 at GCSE.

Targets are not Limiting students are expected to match their standard but can move up.

- This means that any student currently joining Below **ARE** who would start on Bronze needs to be supported in class in order to make accelerated progress with the ambition that she would move to Silver Standard and close the gap.
- We are setting targets which are challenging/aspirational and if achieved will continue to produce outstanding progress for all students.

Advice Given to Students

- Your key task will be to ensure you always work to this target and to try your very best to move to the next one up.
- Your teachers will tell you what you need to do to stay on your target and what you need to do to aim for the target above.

Progress Is Built Into The Design Of The Standards

- In line with the Assessment calendar, all subjects have designed sets of standards:
 - Standards for Year 7 Autumn A to Spring A
 - Standards for Year 7 Spring B to Summer B
 - Standards for Year 8 Autumn A to Spring A
 - Standards for Year 8 Spring B to Summer B
 - This is repeated in Year 9.
 - The standards get progressively more challenging in line with increasing **ARE**
- 

How We Grade Work

- **Formatively**
- Assessment to aid learning journey (Throughout each half term)
- **Summatively**
- Assessment of Acquired knowledge at an Assessment Point. (Standard Awarded each half term)
- We use a mix of both

How We Grade Work

- In addition to the standards, effort grades are reported to students and parents each half term
- **Outstanding**
- **Good**
- **Requires improvement**
- **Poor**

Progress, Additional Support

- If students are below ARE or drop below their standard;
- Small Group interventions in Numeracy, Literacy and Reading recovery.
- Specific Learning Support Groups.
- In class intervention in Subjects.
- Students with Specific SEND will have intervention as Co-ordinated by the SENCO.
